1           **III.    EXTENSIONS OR MODIFICATIONS OF THE DISCOVERY PLAN AND**  
2                           **SCHEDULING ORDER**

3           LR 26-3 governs modifications or extensions to this discovery plan and scheduling order.

5                           **FOR ALL WRITTEN DISCOVERY PROPOUNDED**

6           The parties agree that for each set of written discovery propounded upon the other, an  
7    accompanying “word” or “word perfect” version of said discovery set shall be provided in order to  
8    reduce the time and effort in having to type out the requests or interrogatories. The failure to do so  
9    does not deem service of the written discovery ineffective.

10          **V.     PROTECTION OF PRIVILEGED/TRIAL PREPARATION MATERIAL**

11          If a party discovers it has inadvertently disclosed privileged or trial preparation material, it  
12    agrees to notify the opposing party in writing within 30 days of the discovery that such document(s)  
13    have been disclosed, which written notification will set forth the basis for the claim that the items  
14    disclosed are privileged or trial preparation material. If the party receiving the disclosure agrees that  
15    the inadvertently-produced items are privileged or trial preparation material, it will return all such  
16    items to the producing party without the retention of any copies. If the receiving party disputes that  
17    the items are privileged or trial preparation materials, it will within 30 days of written notification of  
18    the inadvertent disclosure, present the disputed items inadvertently disclosed to the court under seal  
19    for a decision with respect thereto (without the retention of copies), including with such submission  
20    the producing party’s written notification and any statement the receiving party wishes to make in  
21    support of its position that the items are not privileged or trial preparation material.

22    ///

23    ///

24    ///

1 If the receiving party disclosed the inadvertently-produced privileged or trial preparation materials  
2 before being notified of the inadvertent disclosure, it will take reasonable steps to retrieve the materials  
3 pending resolution of the matter.
